

NOTICE OF DISCONTINUANCE OF CLASS ACTION RELATING TO TOYOTA VEHICLES

PLEASE READ THIS NOTICE CAREFULLY. IT MAY AFFECT YOUR LEGAL RIGHTS.

By Order of the Ontario Superior Court of Justice, all persons in Canada who suffered personal injury or property damage involving a Toyota vehicle with an electronic throttle control system (“ETCS”) are advised that:

On April 19, 2010, a proposed class action, *Edward Selmani et al v Toyota Motor Corporation et al* Ontario Superior Court of Justice Court File No CV-10-4013963-00-CP (the “**Action**”), was commenced against Toyota Motor Corporation, Toyota Motor Sales, U.S.A. Inc., Toyota Motor North America, Inc., Toyota Motor Engineering & Manufacturing North America Inc., Toyota Canada Inc., Toyota Motor Manufacturing Canada Inc., CTS of Canada Limited, CTS of Canada Holding Co., CTS of Canada GP, Ltd, CTS of Canada CO., and CTS Corporation, (collectively, “**Toyota**”). The Action alleged that certain Toyota vehicles had a defective ETCS which caused sudden unintended acceleration. The Action further alleged that the Defendants failed to meet the standard of care and were negligent in their research, design, development, manufacturing, assembly, distribution, marketing and sale of Toyota vehicles with the ETCS. Toyota denies these allegations.

The Action was brought on behalf of all persons and entities in Canada who were or are the registered owners and/or lesses of, and/or were operators of and/or passengers in, ETCS vehicles (the “**Class**” or “**Class Members**”) and related family/dependent claims. The Action sought compensation for personal injuries, economic loss, and property damage suffered by the Class Members as a result of the alleged defect in the ETCS vehicles. A complete list of the ETCS vehicles included in the Action is attached as **Appendix “A”** to this Notice.

On February 6, 2014, the Ontario Superior Court of Justice granted a motion for consent certification of the economic loss claims and for approval of the settlement of the economic loss claims in the Action. The certification and settlement of the economic loss claims did not apply to or release the personal injury or property damages claims in the Action.

This Notice is to advise you that the Ontario Superior Court of Justice has approved the discontinuance of this Action and the discontinuance will take effect on March 10, 2025. The discontinuance of this Action means that personal injury and property damage claims will not be pursued through this Action. The discontinuance is without prejudice to the Class and those with related family/dependent claims.

PLEASE TAKE NOTICE THAT the limitation periods for Class Members, which have been suspended since the issuance of the Statement of Claim in this Action on April 19, 2010, are no longer suspended and will continue to run as of March 10, 2025, the date of the Order discontinuing the Action. On the expiry of the applicable limitation period, the right to sue may be extinguished.

Should you have any questions, please contact Rochon Genova at 416-548-9874.
