

Exhibit “R-2”
CANADIAN REXULTI® CLASS ACTION
NOTICE OF SETTLEMENT APPROVAL HEARING IN QUEBEC

PLEASE READ CAREFULLY. IGNORING THIS NOTICE WILL AFFECT YOUR LEGAL RIGHTS

WHO IS THIS NOTICE FOR?

This Notice is directed to:

All persons in Canada including their estates who:

- were prescribed and ingested REXULTI® between **February 16, 2017 and August 23, 2025** (“REXULTI® Class Members”); and
- by virtue of a personal relationship with persons described above are entitled to assert a claim pursuant to the *Civil Code of Québec*, the Ontario *Family Law Act* as amended or equivalent provincial and territorial legislation (“Family Class Members”).

The Canada-wide class action (the “Class Action”) alleges that the Defendants were negligent in failing to warn Class Members that REXULTI® can cause, contribute to, or exacerbate Compulsive Behaviours and Impulse Control Disorders, specifically, compulsive or pathological gambling, hypersexuality, binge-eating, and compulsive shopping.

On December 3, 2021, the Superior Court of Québec (the “Court”) certified a national class action against Otsuka and Lundbeck on behalf of the Classes of person described above. All appeals were completed on May 5, 2023. Notice of authorization of the Class Action was previously provided on March 15, 2024.

The parties have reached a proposed settlement (the “Settlement”), subject to approval of the Court.

WHAT IS THE PROPOSED SETTLEMENT?

The Settlement provides for the creation of a CDN \$4.75 million Settlement fund, of which approximately CDN \$2.85 million will be used to pay compensation for Approved Claims, including CDN \$118,750.00 in satisfaction of the claims of the Public Health Insurers, CDN \$199,500.00 for Family Class Members and CDN \$570,000.00 for economic losses. The Settlement fund will also be used to pay the costs of notice (CDN\$186,303.52), claims administration (CAD \$55,000.00), and Court-approved Class Counsel Legal Fees (CDN \$1,425,000), plus disbursements and applicable sales taxes.

Not all Class Members will be eligible for compensation. If the settlement is approved, the proposed Distribution Protocol and Claim Form, which are also subject to Court-approval, will be made available on the Settlement Website and the website of Class Counsel and may be requested from the Claims Administrator. The Defendants have denied, and continue to deny, the allegations against them in the Class Action and have had no role in the determination of Settlement Class Members’ eligibility to participate in the Settlement or the allocation of benefits available to REXULTI® Class Members.
